

South Coast Woodturners

The South Coast Woodturners Club is a local chapter of the American Association of Woodturners (AAW).

You are invited to join with us in exploring the fun and challenging field of woodturning.

We meet on the second Saturday of the month from 9:00 AM until sometime in the afternoon at the Harding School Woodshop in Coos Bay. Informal turning sessions are usually held twice a month (second and fourth Tuesday) from 6:30 PM until 8:30 PM. At the meetings and informal turning sessions members share ideas, experiences, problems, and solutions in this fun field of woodturning. We also cover sharpening of tools, chucking systems, finishes, etc. For a lot of hands-on fun, come visit us.

Projects or guest speakers/demonstrators are featured at the monthly meetings. Projects have included: Hurricane Lamps, Split Turnings, Square Turnings, Paper Clip Holders, Miniature Turnings, Jewelry, Tree Ornaments, and Kaleidoscopes. The Club owns several lathes and turning tools for members and guests to use.

An application for membership (if you wish to join) is located on the reverse side. To join, please complete this application and mail to:
